

**Request for Information/Sources Sought**

**Agency/Office:** Army Contracting Command – Redstone Arsenal

**Location:** Redstone Arsenal, AL (Huntsville)

**Title:** Programmatic Support to Army Contracting Command – Redstone Arsenal (ACC-RSA)

**NAICS:** 541611

**1. Customer Description**

This Request for Information (RFI) is being issued by the Army Contracting Command – Redstone Arsenal. ACC-RSA is the Army's largest and most diverse contracting and acquisition center. ACC-RSA provides contracting services for major weapon system production and services, systems engineering and technical assistance, concept development and prototyping, systems sustainment, Foreign Military Sales, advisory and assistance services, operational support, range support, and contingency support. ACC-RSA is a large organization with 900 plus General Schedule (GS) and contractor employees, comprising of diverse job disciplines such as contracting, information technology, human resources, logistics, resource management and budget, and security. ACC-RSA provides acquisition and contracting support to the following mission partners (list is not all inclusive): U.S. Army Materiel Command (AMC), U.S. Army Futures Command (AFC) through cross functional team support, U.S. Army Space and Missile Defense Command (SMDC), U.S. Army Aviation and Missile Command (AMCOM), Program Executive Office (PEO) Aviation, PEO Missiles and Space, Combat Capabilities Development Command (CCDC), Redstone Garrison, PEO Simulation, Training, and Instrumentation, and PEO Intelligence, Electronic Warfare and Sensors.

**2. Background/Overview**

ACC-RSA and its Mission Partners are in need of contractor support for mission functional areas that are not inherently governmental in nature, yet are critical in accomplishing the overall mission of the organization. Required contractor support includes: *Program Support, Acquisition Support, Strategic Analysis Support, Data Analyst Support, Financial Analysis Support, and Customer Account Management Support*. Specifically looking for capable companies that are 51%-owned by an Indian tribe or Native Hawaiian organizations.

**Note that this is not a request for quotes.** A determination by the Government not to compete this requirement based upon responses to this notice is solely within the discretion of the Government. This Request for Information (RFI) seeks industry comments to assist the Government in locating potential sources with the ability to satisfy its requirement. Firms that believe they can provide the needed services that fully meet the Government's requirements may submit substantiating documentation to determine capability.

**3. Response**

Respondents should provide the following information:

- A. A one page cover letter that includes your company's applicable GSA schedule number, cage code, business size for the NAICS listed above, and contracts point of contact.
- B. Firms will need to provide a response no longer than 2 pages which addresses each of the Performance Requirements listed in the Draft Performance Work Statement provided with this announcement. Each major task requires a written explanation to assess for capability. The major tasks include:
  - 1. Task 1 – Program Support
  - 2. Task 2 – Acquisition Support
  - 3. Task 3 – Strategic Analysis Support
  - 4. Task 4 – Data Analysis Support
  - 5. Task 5 – Financial Analysis Support
  - 6. Task 6 – Customer Account Management Support
- C. Firms shall also provide one page that outlines an instance of past government experience (task order/contract) with tasks similar to scope of this draft requirement. Past example should include contract numbers, customer information, and identify point of contacts.
- D. Documentation will be evaluated by the Army Contracting Command – Redstone Arsenal solely for the purpose of determining the availability and potential technical capability of all businesses in providing the requirement through GSA schedules.
